Auburn Symphony in the Park, September 15th *Community Support Sought to Kick Off the 2018/2019 Season*

29 May 2018

Dear Auburn Symphony Supporter:

The Auburn Symphony's 2018/2019 season, under the direction of dynamic Music Director Peter Jaffe, opens on Saturday, September 15th, with our 10th annual free community concert, *Symphony in the Park*. This popular concert is a fun family-friendly event that attracts nearly 1,000 people each year to the beautiful Auburn School Park Preserve for an evening of great pops and classical favorites.

This concert is one of the many ways the Auburn Symphony gives back to our community. Each year we receive a multitude of comments from families and first-time concertgoers lauding this special once-a-year offering. We absolutely cannot do it without your financial support.

Please help us continue to provide this rich musical experience to our area by becoming a "Symphony in the Park" SPONSOR today. This concert is funded ENTIRELY through our sponsorship program. Sponsors of the concert can enjoy many benefits, including tickets to our Masterworks Concert series, a special ticket to our Season Gala and a myriad of advertising opportunities for your business. Please see the attached sponsorship sheet for details.

Money raised through our sponsorship programs help fund our vital school and community outreach programs, such as Symphony Goes to School/Symphony Goes to Preschool, Young Artists Competition, and Family Concert. The Auburn Symphony realizes that you have many worthy organizations asking for your financial contribution. We value your contribution and pledge to use our resources wisely. Thank you very much for your support.

The Auburn Symphony is a federally recognized 501(c)3 organization, Federal Tax I.D. #93-1039723.

Sincerely,

Anne Brown
Interim Executive Director, Auburn Symphony
